COVID-19 is still spreading. We should stay alert and keep taking precautions to stop the spread of the virus.

For example:

- Cover your coughs and sneezes with a mask, a handkerchief, tissues or your elbow.
- Refrain from going out if you have a fever or cold symptoms (even if mild) such as coughing or a sore throat.
- Practice social distancing (keep at least 2 meters away from other people).
- Refrain from visiting facilities in large group.
- Refrain from talking in a loud voice inside facilities.

Also, when you visit facilities, you should take any preventative measures that they ask you to take.

Examples of measures in place in some facilities:

- Asking visitors without a mask to leave
- Temperature checks at the entrance
- Asking visitors to use hand sanitizer before entering
- ★ Measures vary according to facilities, so please follow each facility's measures while using your own judgement and being considerate to the people around you.

Vaccinations: If you are not a Hiroshima City resident

新型コロナウイルスワクチン 広島市に住民票のない人が接種を受けるには (P3)

Generally, you should receive your COVID-19 vaccine in the municipality where you have a resident record (jūminhyō).

However, you can receive the vaccine in Hiroshima City in extenuating circumstances (see righthand lists).

For some situations, you must apply in advance to receive a "Proof of Notification of Vaccination Outside Area of Residence" (Jūshochi-gai Sesshu Todokede-sumi Shō) through the method described on the right.

To apply for this, you will need the vaccination coupon sent to you by the local government where you have a resident record.

Examples of extenuating circumstances that need advance application

- You live in a different city and return to Hiroshima to give birth
- You live in a different city from your family due to being transferred by your employer
- You are a student living away from home
- You are a victim of domestic violence, stalking, child abuse, or equivalent

Examples of extenuating circumstances that do not need advance application

- You have been hospitalized or are a resident in a facility
- You have an underlying condition and will be vaccinated by your regular doctor
- You are at high risk of an adverse reaction and need to be vaccinated at a medical facility well-equipped to deal with this.
- You will be vaccinated at home by a doctor visiting from outside Hiroshima City

How to apply

You can complete the whole process on the national government's vaccination website: Korona Wakuchin Nabi. (v-sys.mhlw.go.jp)

If you have difficulty with internet access, you can apply at your ward office's Communal Mutual Support Division (Chiiki Sasaeai Ka).

For more information, see the City of Hiroshima website.

Assisting with International Cooperation with Used Stamps & PET Bottle Caps

The International Exchange Lounge collects used stamps to assist international cooperation activities. Through the volunteer groups, JOCS*, the collected stamps are sold to collectors to raise money. With the profit, items such as milk and medicine are purchased and doctors as well as nurses are dispatched throughout Asia and other continents. We also collect PET bottle caps in order to support the "Ecocap Action". The sales profits obtained by recycling caps are donated to the Japan Committee "Vaccines for the World's Children" (JCV).

*JOCS: Japan Overseas Christian Medical Cooperative Service **HOW TO COLLECT:**

- **Stamps** ⇒ When you cut stamps from envelopes, please leave 5 mm of paper around them. It is not necessary to remove them from the envelope. Torn or folded stamps cannot be accepted.
- **PET Bottle Caps** ⇒ Only PET bottle caps for drinks or mineral water are accepted. Please wash the caps and tear off the sticker if it has one. This is in order to avoid damaging the recycling machines. Things such as metal caps and pull-top tabs cannot be accepted.

(Multilingual Interpretation over the Telephone)

What is Trio-Phone?

Trio-Phone Service allows three people to have a conversation at the same time through the telephone. If you are having difficulties communicating in Japanese, call the International Exchange Lounge (082-247-9715).

A volunteer interpreter will help you through the Trio-Phone Service!

For further information, please ask the staff at the International Exchange Lounge.

Garbage Disposal Information

Separate garbage properly and take it to the collection site by 8:30 on the designated day. Please do NOT take garbage to the site on the night before. Garbage collection days vary depending on where you live and the category of the refuse. For further details, consult your local ward office or your neighbors to be sure of the proper disposal method. "Hiroshima 8", a handbook on how to separate garbage, and "Household Waste Disposal Guidelines", a garbage chart with schedules of garbage collection days, are available at ward offices, branch offices and community halls. The Guidelines are translated into English, Spanish, Portuguese, Chinese, Korean, Vietnamese and Filipino. These are available on the Hiroshima City's website:
