Assisting with International Cooperation with Used Stamps & PET Bottle Caps

The International Exchange Lounge collects used stamps to assist international cooperation activities. Through the volunteer groups, JOCS*, the collected stamps are sold to collectors to raise money. With the profit, items such as milk and medicine are purchased and doctors as well as nurses are dispatched throughout Asia and other continents. We also collect PET bottle caps in order to support the "Ecocap Action". The sales profits obtained by recycling caps are donated to the Japan Committee "Vaccines for the World's Children" (JCV).

*JOCS: Japan Overseas Christian Medical Cooperative Service

HOW TO COLLECT:

- ☑ **Stamps** ⇒ When you cut stamps from envelopes, please leave 5 mm of paper around them. It is not necessary to remove them from the envelope. Torn or folded stamps cannot be accepted.
- ☑ **PET Bottle Caps** ⇒ Only PET bottle caps for drinks or mineral water are accepted. Please wash the caps and tear off the sticker if it has one. This is in order to avoid damaging the recycling machines. Things such as metal caps and pull-top tabs cannot be accepted.

Trio-Phone Service

(Multilingual Interpretation over the Telephone)

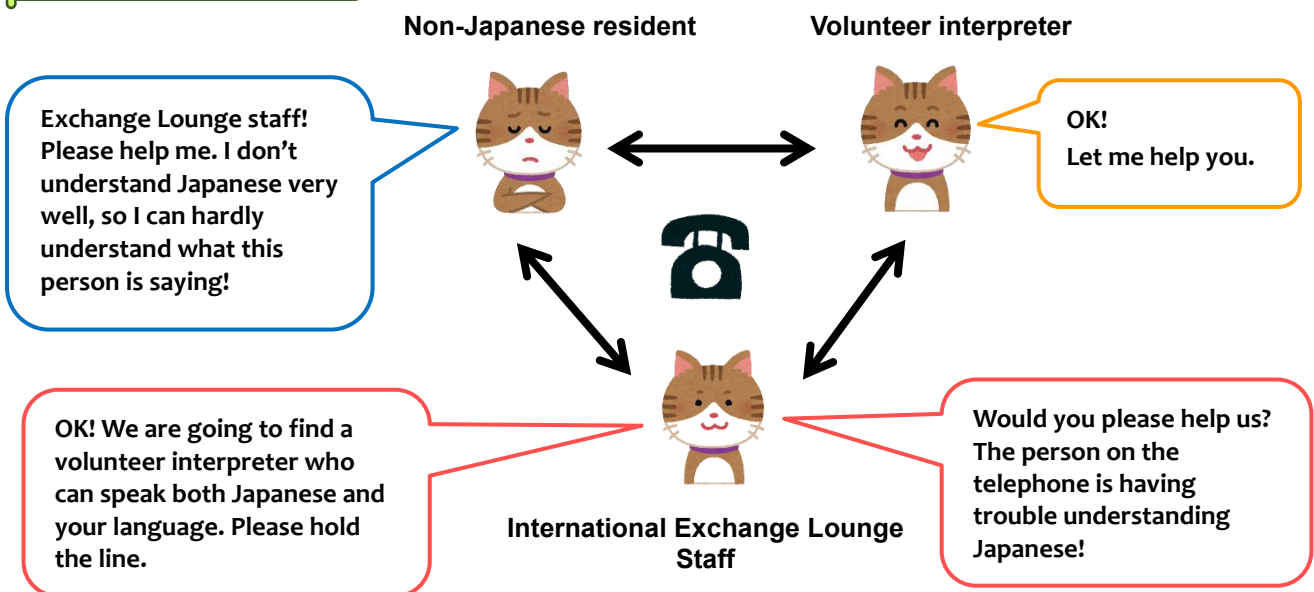

What is Trio-Phone ?

Trio-Phone Service allows three people to have a conversation at the same time through the telephone. If you are having difficulties communicating in Japanese, call the International Exchange Lounge (082-247-9715).

A volunteer interpreter will help you through the Trio-Phone Service!

Garbage Disposal Information

Separate garbage properly and take it to the collection site by 8:30 on the designated day. Please do NOT take garbage to the site on the night before. Garbage collection days vary depending on where you live and the category of the refuse. For further details, consult your local ward office or your neighbors to be sure of the proper disposal method. “Hiroshima 8”, a handbook on how to separate garbage, and “Household Waste Disposal Guidelines”, a garbage chart with schedules of garbage collection days, are available at ward offices, branch offices and community halls. The Guidelines are translated into English, Spanish, Portuguese, Chinese, Korean, Vietnamese and Filipino. These are available on the Hiroshima City’s website:
