Has Your Child's School Enrollment Notification Arrived?

入学通知書は届きましたか ひろしま市民と市政 2月15日号 (P7)

🌸 International residents without Japanese citizenship

If you would like to have your child attend a municipal elementary or junior high school beginning April 2023, please contact the School Affairs Division of the Municipal Board of Education (see below). You do not need to do this if you have already applied.

❖ *The remainder of this article primarily deals with children with Japanese citizenship*

At the end of January, the City sent school enrollment notifications (入学通知書 にゅうがくつうちしょ *Nyūgaku tsūchi sho*) to parents and guardians of children with Japanese citizenship who will begin elementary or junior high school this April.

The notification tells you which school your child will attend and when. Keep it and submit it to your child's designated school on April 3. This is enrollment day, not the entrance ceremony day.

If you have not received the notification or have lost it, please contact the School Affairs Division of the Municipal Board of Education (see below).

◆ If you have moved

◆ If you have moved to a different place in Hiroshima City

- * If you register your change of address no later than March 15 (Wed), the City will send a school enrollment notification to your new address.
- * If you register on or after March 16 (Thurs), you must go to the Citizens' Affairs Division (*Shimin Ka*) of your local ward office or branch office to receive your notification.

◆ If you have moved out of Hiroshima City

Contact the board of education for your new neighborhood.

◆ Enrolling your child in a national, prefectural, or private school

You will need a **letter of acceptance** (入学承諾書 にゅうがくしょうだくしょ *Nyūgaku shōdakusho*) issued by the school your child will attend. Submit this and the enrollment notification to the School Affairs Division of the Municipal Board of Education (see below) or the Citizens' Affairs Division (*Shimin Ka*) of your ward or branch office. You can also submit these to the elementary school written on the enrollment notification, or to your child's current elementary school.

If your child has special educational needs due to disability, please consult one of the following:

◆ Changing schools

If you have a valid reason why your child cannot attend their designated school (e.g., your family is moving within Hiroshima City after April), please consult the School Affairs Division of the Municipal Board of Education (see below).

◆ Financial assistance

The City of Hiroshima can provide financial assistance for schooling, such as for the cost of school supplies, school lunch, school excursions, etc. In order to receive this assistance, there are certain requirements you must meet. For further information, including requirements, please consult the School Affairs Division of the Municipal Board of Education or the school where your child attends.
