

## National Health Insurance Payments Reduction During Maternity

産前産後期間の国民健康保険料の減額 「ひろしま市民と市政」11月1日号(P4)

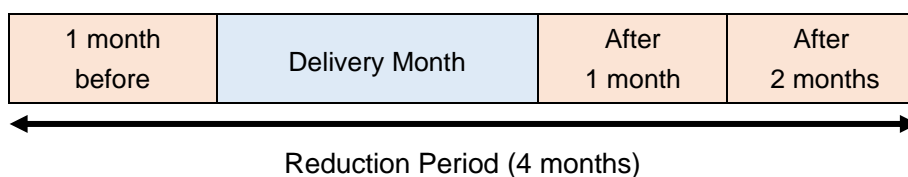

A National Health Insurance (*Kokumin Kenkō Hoken*) premium reduction will apply to mothers who delivered or will give a birth in or after November 2023, starting from their payment for January 2024. In order to receive the support, mothers must be enrolled in National Health Insurance.

### Who is eligible?

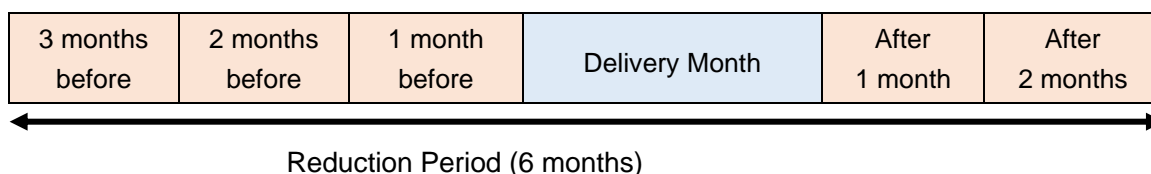

Those who are enrolled in National Health Insurance and delivered or will give a birth in or after November 2023. They will be qualified for a reduction in their income-based charge and per-capita-based charge.

### How long will this support apply?

- Those who delivered or will give birth are eligible to receive the reduction starting 1 month prior to the month in which the baby is born through until 2 months after childbirth.

- For multiple births, payment reduction is available starting 3 months prior to the month in which the babies are born through until 2 months after childbirth.

### 👏 Important Notes

This reduction program will be in effect beginning with your January 2024 payment.

- For those who delivered or will give birth sometime between November 2023 and January 2024, this reduction program will not be applied to their 2023 payments.

- In the case of multiple births, those who delivered or will give birth sometime between November 2023 and March 2024, will not have this reduction program applied to their 2023 payments.

For more information, please inquire at your ward office's National Insurance and Pension Division (*Hoken Nenkin Ka*).

### How to apply

Applications will be accepted at your local ward office's National Insurance and Pension Division (details below) or at your local branch office beginning 6 months prior to your delivery date. Be sure to bring your insurance card and Maternal and Child Health Handbook (*Boshi Kenkō Techō*) with you when visiting in person.
