

Fall COVID-19 Vaccination Booster

新型コロナワクチン:秋開始接種を実施しています「ひろしま市民と市政」11月1日号 (P3)

The COVID-19 updated booster is now available at either medical facilities offering individual vaccinations, or the group vaccination sites listed below. In order to receive the vaccine, you must make a reservation.

- ▶ Children aged 6 months to 11 years can only receive a vaccine at medical facilities offering individual vaccinations. Please confirm with the medical facility where you want to receive the vaccine for details.

Who can receive a booster shot?

Booster shots are available to individuals aged 6 months or older who have completed the 1st dose of the vaccine. One shot per person.

Vaccination schedule

Until March 31, 2024

- 😊 For details about the group vaccination venues, updated boosters and ore, please visit the official city website:
