English No. 31

Fee-based routine vaccination of COVID-19 and influenza

新型コロナ、インフルエンザの定期接種「ひろしま市民と市政」10月15日号 (P3)

The free COVID-19 Vaccination program ended on March 31, 2024. From April 2024 onward, fee-based routine vaccination against COVID-19 will be offered on the same schedule as influenza vaccinations.

	COVID-19 Vaccination	Influenza Vaccination
Cost per person (Copayment under the government subsidy)	3,200 yen	1,600 yen
	Households receiving public welfare (<i>Seikatsu Hogo</i>) or exempt from the income-based <i>shotoku-wari</i> (rate based on your income from the previous year) resident tax are exempt from paying this fee. Note: On the day of your vaccination please bring with you documents that prove your status as exempt from payment.	
Eligibility	<ul style="list-style-type: none"> Those aged 65 years or above Those aged 60-64 years with underlying conditions; for example, those who suffer from an impairment of the heart, kidneys or respiratory organs and face significant functional limitation in their daily lives; or who suffer from an impaired immune system such as those suffering from human immunodeficiency virus (HIV) and require assistance in their everyday living (similar to condition of a person with Grade 1 of the Physical Disability Certificate (<i>Shintai Shōgaisha Techō</i>)) 	
Period of availability, number of doses	Period of availability Until January 31, 2025 Number of doses Limited to once per the period of availability Note: The period of availability start date differs by medical institution. For more information please inquire with the institution directly.	

How to receive a vaccination	Please bring documents proving your eligibility for the vaccinations (e.g. My Number Card, driver's license, health insurance card, etc.) to your chosen medical institution. Please fill out a vaccine screening questionnaire at the window. Note: The City of Hiroshima will not send a vaccination ticket.
